

## AAPACN Organizational Membership Announcement Email

This email template is designed to help you announce to your staff that your organization has invested in an AAPACN Organizational Membership. The goal is to:

- Inform your team that they now have access to AAPACN membership benefits.
- Highlight that this investment reflects your organization's commitment to their professional growth and resident care.
- Provide clear next steps so staff know how to activate and use their benefits.

Simply customize the placeholders (organization name, leader name/title, and instructions for accessing benefits) and send it to your staff. For maximum impact, consider pairing this email with an announcement at a staff meeting or posting the accompanying [flyer](#) with a QR code in common areas.
